Dear Sir

I regret that the Register is incomplete. I have only be in residence since 1 Aug. 97. During the interval (July 5 - 31) the gauge was taken as follows;

July 5th	.2

The record from Jan 1 97 – July 4th was, I suppose, taken by the Rev F. S. Ball (Ardleigh Vic. Colchester), but I have no memoranda from him.

I have taken it regularly this year & indeed since 1 Aug. 97.

I cannot supply all details as to sea-level &c. All I can say is that things are in statu quo.

yrs truly

A. L. Hunt
